Summer Race Series 2018

September Results

What a way to start the last month in the Summer Race Series with 19 boats on the start-line! This is a record and surpasses the numbers we used to get in the Malaspina Regatta 8-10 years ago. This month we averaged 14.75 boats each race, which is very good.

The results for September were:

Peregrine(David Twentyman)	58.3 Pts
Wings II (Andy Paulus)	57.0 “
Imagine (Alain Catteau)	48.4 “
Wildside (Stremel/Wareham)	39.2 “
Pretender (Claus Sjogren)	36.9 “

Final Results April-September

A total of 21 races were held during this series, with an average of 12 boats per race. This compares to 27 races averaging 9 boats per race in 2017.

The results for the Summer Race Series 2018 were:

Pretender (Claus Sjogren)	221.7 “
Linnea (Anders Rahmberg)	178.2 “
Wings II (Andy Paulus)	167.3 “
Frendy (Charlie Park)	158.7 “

The maximum score a skipper could have earned, if he had won every race, was 400.3 points. Nine different skippers took first place finish during the course of this season.

During the last six months we have had a total of 31 different boats taking part in our weekly races. New arrivals were Imagine, Serenity, Raperee, Dark Horse, BC Navigator, Strider, Addycake and Lydia Rose. Welcome!

Thank You GBSC

I was delighted to receive this card from Sebastian ,who is our youngest member, and Dale and Darlene’s grandson.

He took the “I can Sail Optimist Level 2 Course” this summer, and his instructor’s comments were: “Sebastian had lots of success sailing singlehanded, and improved his overall sailing abilities this week. Great job and keep sailing”.
